Dear Harold:

Thanks very much for your last two letters which brought the return of the 35mm slides and the FBI documants pertaining to me.

Sorry that you were not able to attend the conference in Hazelton, PA. There about twelve of us there and it ran from about noon to 1:00 am the next morning. Sunday afternoon several of the guys went over to Grodens home and looked at some of his material. I was not able to make it but have been told that the quality of his photographic material is really super. I hope to go the next time he has people over.

That's about it for now. The weather up here has been very hot and humid and I have managed to get a few days in at the beach. Hope that your health is improved and that if we can schedule another get to gether in the near future, we can arrainge to get you there.

Best wishes,

Emory Brown
